HOW WE WORK

1. **Requirement review**
   Share product, specification, quantity and delivery location.
2. **Sourcing review**
   We review suitable sourcing options against your brief.
3. **Specification confirmation**
   Confirm product details and any samples required.
4. **Quotation**
   Pricing and terms are confirmed in writing for your review.

How to read this catalogue

Items marked **Website range** correspond to products on igwepackaging.nl. Items marked **Sourcing option** are sourced to your requirement. Products shown are sourcing references, not confirmation of stock. Specifications, availability, minimum quantities, lead times, pricing, VAT and delivery terms are confirmed in writing before an order is placed.

COLLECTION 01

Cartons & Corrugated Boxes

Share your required dimensions, board grade, quantity and application.

WEBSITE RANGE

Shipping Carton 300 × 200 × 200 mm

Single-wall brown carton for e-commerce fulfilment and general shipping.

Reference: CTN-300200200
Options: Single wall; brown; 300 × 200 × 200 mm

Branded E-commerce Mailer

Custom mailer packaging for online orders and subscription shipments.

Reference: CUS-MAILER
Options: Paper or plastic options; size, print and material to specification
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 03

Paper Packaging

Paper-based packaging and void-fill options for wrapping, cushioning and fulfilment.

SOURCING OPTION

Kraft Paper Roll

Kraft paper for wrapping, void fill and protective packing.

Reference: PAP-KRAFT-ROLL
Options: Width, grammage and roll length to specification
Pack: Quote on request

SOURCING OPTION

Kraft Paper Sheets

Paper sheets for interleaving, wrapping and surface protection.

Reference: PAP-KRAFT-SHEET
Options: Sheet size and grammage to specification
Pack: Quote on request

SOURCING OPTION

Paper Void Fill

Paper cushioning for filling empty space inside shipping cartons.

Reference: PAP-VOIDFILL
Options: Roll or fanfold; paper grade to specification
Pack: Quote on request

SOURCING OPTION

Honeycomb Paper Wrap

Expandable paper wrap for cushioning and protecting products.

Reference: PAP-HONEYCOMB
Options: Roll width and length to specification
Pack: Quote on request

SOURCING OPTION

Paper Mailers & Envelopes

Paper mailing bags and envelopes for lightweight fulfilment.

Reference: PAP-MAILER
Options: Size, closure and material options to specification
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 04

Stretch & Shrink Films

Film options for securing pallet loads and protecting goods during storage and transport.

WEBSITE RANGE

Hand Stretch Film 17 micron

Hand-applied pallet wrap for securing loads.

Reference: STF-HAND17
Options: 500 mm width; 300 m length; 17 micron example specification
Pack: 6 rolls per box (indicative, to confirm)

WEBSITE RANGE

Machine Stretch Film 23 micron

Machine-applied film for automated pallet wrapping.

Reference: STF-MACH23
Options: 500 mm width; 1,500 m length; 23 micron example specification
Pack: Per roll (indicative, to confirm)

SOURCING OPTION

Pre-Stretched Hand Film

Lightweight hand film option for wrapping and load containment.

Reference: STF-PRESTRETCH
Options: Width, length and gauge to specification
Pack: Quote on request

SOURCING OPTION

Shrink Film / Shrink Hood

Shrink film and pallet hood options for product or pallet protection.

Reference: STF-SHRINK
Options: Material, format and thickness to specification
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 05

Packaging Tape & Adhesives

Carton-sealing and adhesive tape options for warehouse, fulfilment and packaging operations.

WEBSITE RANGE

Clear Packaging Tape 48 mm

Clear carton-sealing tape for warehouse and fulfilment use.

Reference: TPE-PP48
Options: 48 mm × 66 m example; acrylic adhesive
Pack: 36 rolls per box (indicative, to confirm)

SOURCING OPTION

Brown Packaging Tape

Brown carton-sealing tape for shipping and storage.

Reference: TPE-BROWN
Options: Width, length and adhesive type to specification
Pack: Quote on request

SOURCING OPTION

Heavy-Duty Carton Sealing Tape

Tape option for heavier cartons and demanding applications.

Reference: TPE-HEAVY
Options: Backing and adhesive selected for application
Pack: Quote on request

SOURCING OPTION

Double-Sided Tape

Double-sided adhesive tape for assembly and packaging applications.

Reference: TPE-DOUBLE
Options: Width, thickness and adhesive to specification
Pack: Quote on request

SOURCING OPTION

Water-Activated Paper Tape

Gummed paper tape for secure carton sealing.

Reference: TPE-WAT
Options: Reinforced or non-reinforced options
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 06

Reference: PRO-EDGE
Options: Length, thickness and leg dimensions to specification
Pack: Quote on request

SOURCING OPTION

Desiccants & Moisture Absorbers

Moisture-control sachets for suitable packaged goods and shipments.

Reference: PRO-DESICCANT
Options: Type, unit size and application to be confirmed
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 07

Strapping & Load Securing

Load-securing products and accessories for bundling, palletising and transport.

SOURCING OPTION

Polypropylene (PP) Strapping

General-purpose strapping for bundling and pallet securing.

Reference: STR-PP
Options: Width, thickness, core and colour to specification
Pack: Quote on request

SOURCING OPTION

Polyester (PET) Strapping

Plastic strapping for palletised loads.

Reference: STR-PET
Options: Width, thickness and breaking strength to specification
Pack: Quote on request

SOURCING OPTION

Steel Strapping

Steel strapping for selected heavy-duty load-securing applications.

Reference: STR-STEEL
Options: Width, thickness and finish to specification
Pack: Quote on request

SOURCING OPTION

Strapping Seals & Buckles

Compatible seals, buckles and joining accessories.

Reference: STR-SEALS
Options: For selected PP, PET or steel strapping
Pack: Quote on request

SOURCING OPTION

Strapping Tools & Tensioners

Manual or powered tools for tensioning and sealing strapping.

Reference: STR-TOOLS
Options: Tool type matched to strap and operation
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 08

Pallets & Pallet Packaging

Pallet formats and protective accessories for storage, handling and distribution.

WEBSITE RANGE

Euro Pallet 1200 × 800 mm

New or used Euro-format pallet supply subject to specification.

Reference: PAL-EURO
Options: 1200 × 800 mm; grade and condition confirmed per quote
Pack: Per pallet (indicative, to confirm)

WEBSITE RANGE

Block Pallet 1200 × 1000 mm

Four-way block pallet for warehouse and distribution use.

Reference: PAL-BLOCK
Options: 1200 × 1000 mm; material and load rating to specification
Pack: Per pallet (indicative, to confirm)

SOURCING OPTION

Plastic Pallets

Reusable plastic pallets for selected hygiene and export applications.

Reference: PAL-PLASTIC
Options: Dimensions, load rating and material to specification
Pack: Quote on request

SOURCING OPTION

Pallet Top Frames & Collars

Pallet collars and top frames for reusable palletised packaging.

Reference: PAL-COLLAR
Options: Compatible pallet footprint and height to specification
Pack: Quote on request

SOURCING OPTION

Pallet Covers & Top Sheets

Protective pallet covers and top sheets against dust and moisture.

Reference: PAL-COVER
Options: Size, material and thickness to specification
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 09

Labels, Marking & Identification

Identification and labelling options for parcels, products and warehouse processes.

SOURCING OPTION

Thermal Shipping Labels

Labels for shipping, warehouse and parcel identification.

Reference: LAB-THERMAL
Options: Roll size, core, adhesive and printer compatibility to confirm
Pack: Quote on request

SOURCING OPTION

Barcode & Product Labels

Printed or blank barcode and product identification labels.

Reference: LAB-BARCODE
Options: Label size, material, print and barcode data to specification
Pack: Quote on request

SOURCING OPTION

Handling & Warning Labels

Labels such as Fragile, This Way Up and Keep Dry.

Reference: LAB-HANDLING
Options: Label size, language and print to specification
Pack: Quote on request

SOURCING OPTION

Label Printers & Ribbons

Sourcing of compatible label printers, ribbons and consumables.

Reference: LAB-PRINTER
Options: Printer model and application confirmed before sourcing
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 10

Mailers, Bags & Flexible Packaging

Flexible packaging formats for e-commerce dispatch, components and bulk protection.

SOURCING OPTION

Poly Mailer Bags

Lightweight mailing bags for non-fragile e-commerce orders.

Reference: BAG-POLY
Options: Size, thickness and colour to specification
Pack: Quote on request

SOURCING OPTION

Courier Bags with Document Pocket

Courier bags with integrated document pouch for dispatch paperwork.

Reference: BAG-COURIER
Options: Bag size, pocket and closure to specification
Pack: Quote on request

SOURCING OPTION

Zip-Lock / Resealable Bags

Resealable bags for parts, components and small products.

Reference: BAG-ZIP
Options: Size, thickness and material to specification
Pack: Quote on request

SOURCING OPTION

Pallet Stretch Hood / PE Bags

Large-format PE bags and pallet covers for bulk protection.

Reference: BAG-PE
Options: Dimensions, gauge and format to specification
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 11

Warehouse & Dispatch Consumables

Selected consumables and operational supplies for warehouse and fulfilment activities.

SOURCING OPTION

Packing List Envelopes

Adhesive document pouches for invoices and packing lists.

Reference: WH-PACKLIST
Options: Size, print and backing to specification
Pack: Quote on request

SOURCING OPTION

Cable Ties

Cable ties for bundling and light securing applications.

Reference: WH-CABLETIE
Options: Length, width, material and colour to specification
Pack: Quote on request

SOURCING OPTION

Pallet Markers & Warehouse Signs

Warehouse identification and marking consumables sourced to brief.

Reference: WH-MARKING
Options: Type, dimensions and print to specification
Pack: Quote on request

SOURCING OPTION

Safety Knives & Cutters

Packaging and carton-opening tools for warehouse operations.

Reference: WH-CUTTERS
Options: Safety design and replacement blade compatibility to confirm
Pack: Quote on request

SOURCING OPTION

Selected personal protective and operational consumables sourced to request.

Reference: WH-PPE
Options: Exact item, standard, size and compliance to be confirmed
Pack: Quote on request

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

COLLECTION 12

Sourcing & Procurement Services

Procurement support for businesses that need packaging or warehouse products sourced to a clear brief.

SOURCING OPTION

Packaging Product Sourcing

Find and compare suitable suppliers for packaging products based on your brief.

Reference: SRV-SOURCING
Options: Product specification, target quantity, destination and timeline required
Pack: Per project

SOURCING OPTION

Custom Packaging Development

Coordinate custom dimensions, materials, print options and sample sourcing.

Reference: SRV-DEVELOP
Options: Subject to supplier capability, MOQ and sample approval
Pack: Per project

SOURCING OPTION

Supplier Coordination

Coordinate supplier communication, quotation collection and order follow-up.

Reference: SRV-SUPPLIER
Options: Scope and verification requirements agreed per project
Pack: Per project

SOURCING OPTION

Bulk & Repeat-Order Procurement

Support recurring procurement of agreed packaging and warehouse consumables.

Reference: SRV-REPEAT
Options: Forecast, reorder quantities and delivery schedule agreed
Pack: Per project

Need something not listed? Tell us your requirement and we will review suitable sourcing options.

REQUEST A QUOTATION

Let's source what your business needs

Tell us what you need — we review options and respond with a quotation.

Send your product description, dimensions, material or grade, estimated quantity, delivery frequency and delivery postcode. We review the requirement and respond with sourcing options or a quotation where suitable options can be identified.
